EUROPEAN SOLIDARITY CORPS VOLUNTEER APPLICANT

Youth Education & Community Support | Child Safeguarding | Digital Creativity | Project Coordination
Tripoli, Lebanon | +961 3 345 709 | rami.attieh54@gmail.com | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

VOLUNTEER PROFILE

Responsible, creative and people-focused Computer Science student from Lebanon with hands-on volunteering experience teaching and supporting young people through Ruwwad Al Tanmeya and the Makhzoumi Foundation. Also brings practical experience in branch management, customized printing, customer service, hospitality and freelance web development. Preparing for long-term European Solidarity Corps service through training in child safeguarding, children's rights, prevention of sexual exploitation and abuse, psychological first aid, team conflict and project management. Combines calm communication, practical organization and digital skills with a sincere commitment to inclusion, dignity and safe participation.

VOLUNTEER PURPOSE: Volunteering is not only the visible workshop or social-media post. It is arriving prepared, noticing what needs to be done, listening before acting, protecting people's dignity, and completing small daily responsibilities with the same care as major activities.

CORE COMPETENCIES

Youth tutoring and support | Digital-skills instruction | English grammar support | Child safeguarding | PSEA awareness and professional boundaries | Children's rights | Non-formal education | Creative activity support | Intercultural communication | Event logistics | Project coordination | Responsible social media | Web development | Excel and inventory | Customer service | Teamwork

VOLUNTEERING EXPERIENCE

Volunteer Youth Tutor | Makhzoumi Foundation | Lebanon 2018 - 2019

- Supported and taught young people through community-based learning activities.
- Used patient, clear explanations and adapted support to different learning needs and confidence levels.

Volunteer Digital & English Tutor | Ruwwad Al Tanmeya | Lebanon 2017 - 2018

- Taught young people basic digital-program skills and English grammar.
- Guided learners step by step, encouraged questions and helped them build confidence using technology and English.

PROFESSIONAL EXPERIENCE

Freelance Web Developer / Digital Creator | Self-employed Jan 2020 - Mar 2025

- Built responsive projects using HTML, CSS, JavaScript, Python, Django, WordPress, React and GitHub; organized content, solved technical issues and managed deadlines independently.
- Developed transferable NGO skills in website updates, digital-literacy support, online forms, design materials, social-media content and project visibility.

Customized Printing Branch Manager | Lebanon 2022 - 2024

- Managed branch operations, customers, order deadlines, artwork preparation, production coordination, quality checks and daily responsibilities.
- Maintained Excel inventory, identified shortages, resolved problems calmly and developed strong workshop-preparation, logistics, patience and accuracy.

Hospitality / Waiter | Lebanon 2020 - 2021

- Served guests and handled orders accurately in busy environments while maintaining cleanliness, respectful communication and reliable teamwork.
- Prioritized tasks, adapted to different personalities and remained calm under pressure.

EDUCATION

Bachelor of Science in Computer Science | University of the People 2025 - Present

Expected completion: 2029. Online international program focused on programming, software development, computer science foundations, problem-solving and academic communication.

POTENTIAL CONTRIBUTIONS TO YOUTH & COMMUNITY PROJECTS

- Support arts and crafts, recycling art, drawing, painting, handmade decorations, storytelling, reading games, educational quizzes, football and movement activities.
- Assist with beginner digital literacy, safe-internet awareness, simple website or design activities, CV/email guidance and basic computer confidence.
- Help prepare events through material checklists, room setup, participant welcome, registration, guidance, consent-aware photography or video, social media and post-event organization.
- Follow staff instructions on safeguarding, consent, privacy, confidentiality, reporting procedures and professional boundaries at all times.
- Bring a learner's mindset: ask when unsure, accept feedback, adapt activities to different ages and abilities, and respect the experience of educators and coordinators.

PROFESSIONAL VALUES IN VOLUNTEERING

Dignity first: treat every participant as a person, not as content or a task. **Safety and boundaries:** follow safeguarding, consent, privacy and reporting procedures. **Reliability:** take ordinary duties, shared living and preparation seriously. **Inclusion:** adapt communication and activities to different backgrounds, ages and confidence levels. **Learning:** ask questions, accept feedback and improve through reflection.
